

Let us help you  
**Increase your flexibility**

With Bridgeway as your production partner, you gain the advantage of flexibility that many prominent companies in the midwest have adopted as an integral part of their operating structure.

**Flexible Scheduling**

- Meet seasonal demands
- Adjust capacity as needed to balance inventory
- Launch new products quickly

**Flexible Team**

- Our project managers have extensive manufacturing backgrounds -- we know how to blend our services with your ERP and quality processes.
- We can work seamlessly as an extension of your business.

**Flexible Factory**

- Extensive facility with adaptable work cells
- Meet custom needs for packaging, inline date coding, high speed shrink wrapping and other special requirements.
- We will work with you to develop capabilities that meet your objectives

Call us for a custom solution to your supply chain needs.
